Willie E. Bell - Chairperson (Dist 4)
Ricardo Moore - (Dist 7)
Willie E. Burton - (Dist 5)
Reginald Crawford - (Dist 3)
Elizabeth Brooks - Appointed
Derrick Sanders - Appointed
Richard Shelby - (Dist 1)
Conrad Mallett - Appointed
Eva Dewaelshe - Appointed

REPRESENTING THE CHIEF OF POLICE:

David LaValley - Assistant Chief of Police

OTHERS PRESENT:

Gregory Hicks - Secretary
Chief Investigator Pamela Davis Drake
Captain John Saveck
Gail Oxendine
Bernice Smith
Lieutenant James Merkison
Assistant Chief White
Lieutenant Melissa Gardner
Ms. Butler
Celia Washington

1 Detroit, Michigan

2 Thursday, September 22, 2016

3 3:02 p.m.

4 THE CHAIRPERSON: Good afternoon.

5 COMMISSIONERS: Good afternoon.

6 THE CHAIRPERSON: Welcome to our weekly
7 meeting of the Board of Police Commission. I am your
8 Chair, Willie Bell, from District 4.

9 At this time, I don't see our Bishop Vann in
10 the house. If our Chief Investigator, Pamela Davis
11 Drake, would be so kind to do the invocation at this
12 time we will appreciate it because surely we need a
13 word from the Lord and a prayer.

14 (Invocation was cited by Ms. Drake.)

15 THE CHAIRPERSON: Thank you. I appreciate
16 it.

17 As we move forward, I'm going to ask the
18 Commissioners to introduce themselves, starting to my --
19 oh, okay.

20 Just in time, Commissioner Shelby.

21 Start with Commissioner Shelby.

22 MR. SHELBY: Commissioner Richard Shelby,
23 District 1.

24 MR. CRAWFORD: Commissioner
25 Reginald Crawford, District 3.

1 MR. BURTON: Police Commissioner
2 Willie Burton, District 5.

3 MR. MOORE: Police Commissioner
4 Ricardo Moore, District 7, and Vice-Chair of the
5 Detroit Board of Police Commissioners.

6 THE CHAIRPERSON: And Commissioner
7 Lisa Carter to my right, immediate Past Chair, is
8 excused from this meeting.

9 So we can just continue on.

10 MS. BROOKS: Commissioner Elizabeth Brooks,
11 appointed.

12 MR. MALLETT: Commissioner Conrad Mallett.

13 MR. SANDERS: Commissioner Derrick Sanders,
14 appointed.

15 MS. DEWAELSHE: Commissioner Eva Garza
16 Dewaelshe.

17 THE CHAIRPERSON: Mr. Secretary, do we have a
18 quorum?

19 MR. HICKS: Yes, you do.

20 THE CHAIRPERSON: Thank you, sir. At this
21 time, I would like to ask Mr. Hicks to introduce the
22 Board of Police Station Commission staff, please.

23 MR. HICKS: Thank you, Mr. Chair. I just
24 wanted to point out that, first of all, Robert Brown is
25 not with us today. Robert is on vacation. He will be

1 joining us in the next meeting.

2 In addition to Robert, we have, of course,
3 Ms. Oxendine, Gail Oxendine, and we have -- I always
4 return to Chief Inspector Pamela Davis Drake last
5 because she introduces her staff. But, also, assisting
6 us today we have Sergeant Quinn, we have Media Services
7 and we have Mona Storm, who is the -- the court
8 reporter for today. If I can turn our attention to
9 Chief -- the Chief.

10 And, Chief, if you can introduce any of your
11 staff that is present.

12 CI DRAKE: For the record, Pamela Davis
13 Drake, Chief Investigator. And with us today is Senior
14 Investigator -- I'm trying to give her a promotion --
15 Delvata (sp.) Moses.

16 MR. HICKS: That concludes the introduction
17 of staff.

18 THE CHAIRPERSON: Okay. Thank you, sir.

19 At this time, we would like to recognize
20 Deputy Chief David LaValley, sitting in for
21 Chief Craig.

22 Good to see you this afternoon.

23 ASSISTANT CHIEF LaVALLEY: Thank you, sir.

24 THE CHAIRPERSON: And, perhaps, we can just,
25 in your direction, just introduce any DPD staff or

1 command or ranking officer or officers, if you care to.

2 ASSISTANT CHIEF LaVALLEY: Thank you. With
3 us today is Celia Washington, Legal Advisor to the
4 Police Department; Deputy John Saveck from Crime
5 Intelligence; Trisha Stein, Administrative Operations;
6 Melissa Gardner, Lieutenant from Recruiting; Jevon
7 Johnson, Lieutenant from the Chief's office; Sergeant
8 Star Gonzales, recruiting; Captain Michael Chambers
9 from Professional Standards; Lieutenant Carey Sloan,
10 Force Investigation; and Lieutenant Merkison, hiding in
11 the back over there, for Planning.

12 THE CHAIRPERSON: Thank you, sir.

13 Commissioners, I'm going to ask approval of
14 agenda for this meeting, September the 22nd.

15 MR. SANDERS: So move.

16 MR. SHELBY: Second.

17 THE CHAIRPERSON: It's properly moved and
18 second. Discussion?

19 Those in favor, "aye".

20 COMMISSIONERS: Aye.

21 THE CHAIRPERSON: Opposed?

22 Motion carries.

23 The next item would be approval of agenda for
24 September the 15th, 2016 -- I'm sorry -- approval of --
25 there's a word missing. It should be "minutes", right?

1 Thank you. I have these glasses on. I need
2 to read and look through them.

3 Okay. Approval of agenda, 15, 2016, the
4 minutes. Okay, we're in good shape.

5 MR. MOORE: So move.

6 THE CHAIRPERSON: It's been properly moved.

7 A second?

8 MS. DEWAELSHE: Support.

9 THE CHAIRPERSON: Okay. Those in favor,
10 "aye".

11 COMMISSIONERS: Aye.

12 THE CHAIRPERSON: Nays?

13 Motion carry.

14 The next item would be the Chairman's report.
15 I'm going to ask, at this time, could we just stand for
16 a minute of silence for a falling sergeant who was
17 killed in the line of duty. And we have a resolution
18 forthcoming.

19 Thank you. Board of Police Commission offers
20 condolence to Chief Craig in the passing of his mother
21 Ms. Eleanor W. Craig. And you should have all the
22 arrangements for her funeral on this coming Saturday.
23 I would ask that you keep the Chief and his family in
24 your prayers and condolence. And it's just been a
25 difficult time.

1 I spoke to the Chief briefly last week and
2 thereafter I got the call about Sergeant Steil's
3 current passing. So -- but he was on the scene and
4 he's been responding ever since. And one of the things
5 he shared with me was that he had the opportunity to be
6 here with his mom for the last three years versus in
7 California. So that was prayerful in that type of
8 interaction. So keep the family in mind as we know
9 days ahead and we have to embrace. And that's ongoing
10 and so we all been there somewhat.

11 At this time, I'm going to ask Commissioner
12 Moore to address the resolution for the Shark -- I'm
13 sorry. Correction. They look alike sometime but
14 that's Commissioner Crawford, who District 3, and that
15 covered the Ninth Precinct. Sorry about that.

16 MR. CRAWFORD: No, one is just a little
17 older.

18 Okay. And this is a resolution, Board
19 resolution, honoring Sergeant Kenneth M. Shark Steil
20 posthumously.

21 Whereas Kenneth M. -- Sergeant Kenneth M.
22 Steil was appointed to the Detroit Police Department on
23 November the 20th, 1995. Upon graduating from the
24 Metropolitan Police Academy, Officer Steil began his
25 career at the Ninth Precinct.

1 And whereas Officer Steil dutifully served
2 the Headquarters Surveillance Unit, Fourth Precinct,
3 First Precinct, and the Southwestern District in
4 various capacities. On December the 21st, 2010,
5 Officer Kenneth Steil was promoted to Sergeant and
6 immediately assigned to the Training Section and later
7 to the Eastern District. The other assignments he
8 served in as a Sergeant included the Underwater
9 Recovery Team where he earned the name "Shark", because
10 he was a master diver who would go 200 feet and swim
11 with the sharks, and the Ninth Precinct Special Ops
12 team. On Saturday, September the 17th, 2016,
13 Sergeant Steil was to be released from the hospital,
14 five days after a gunshot wound. After 20 years of
15 loyal, devoted service, Sergeant Kenneth M. Shark
16 Steil, Badge S-54, passed away later that day.

17 And whereas, during his law enforcement
18 career, Sergeant Steil was the deserving recipient of
19 one Lifesaving citation; one Chief's Unit Award; and
20 three departmental -- three Department citations.
21 He -- he was also the recipient of numerous letters of
22 commendation from citizens and superiors.

23 And whereas Sergeant Steil tirelessly served
24 the Detroit Police Department and the citizens of
25 Detroit and its neighboring communities. His

1 professional, commitment to public service,
2 integrity, and dedication was a credit to the Detroit
3 Police Department. He was highly regarded as a
4 consummate professional throughout the law enforcement
5 community. Before he died, Sergeant Steil told his
6 family and fellow officers, "I'm glad that I took the
7 round, because I would not have wanted any one of you
8 to take it."

9 Now, therefore, be it resolved that the
10 Detroit Police -- that the Detroit Board of Police
11 Commissioners, speaking for the citizens of Detroit and
12 the Detroit Police Department, award this resolution
13 posthumously in recognition of Sergeant
14 Kenneth M. Shark Steil, 20 years of dedication -- of
15 dedicated public service. His professional integrity,
16 and standard of commitment to the City of Detroit and
17 the citizens merit our highest regard.

18 We salute and thank you, Sergeant
19 Kenneth M. Shark Steil for a job well done.

20 THE CHAIRPERSON: Thank you, Commissioner
21 Crawford. I just want to say I had the opportunity to
22 interact with Sergeant Steil on Thursday after our
23 meeting at St. John and, in that 15, 20 minutes, it
24 really was an uplifting dialogue with him. He reminded
25 me that he had started his career there in 1995 and I

1 was there in 1995 working midnight shift and he was one
2 of the young officers I did not recall. But that type
3 of interaction. But it was really upbeat.

4 I feel as though that I was really talking to
5 a warrior because he really was enthused about the job.
6 He was looking forward to coming back to work as soon
7 as possible. He had just signed up for the marathon --
8 the half marathon, and he was stating that, "Hey,
9 somebody got to lead these young troops." He was that
10 type of a trooper, in terms of spirit.

11 But, as we well know, he was looking forward
12 to coming home. And his family -- I met some of his
13 family members. But the Lord had a higher calling for
14 him and he has moved on to higher ground. So let us
15 keep him and the family in prayers, two young sons.

16 And, by all means, the community responded to
17 this particular incident at the Ninth Precinct and they
18 are saddened by his loss. In terms of embracing
19 officers; that's really what's needed as we go forward,
20 in terms of his funeral is tomorrow at St. Joan of Arc
21 on the east side of Detroit in Grosse Pointe. I'm
22 familiar with the church and -- so it was really
23 uplifting.

24 I felt good about meeting him and talking to
25 him, you know, in the spirit of things. He was quite

1 positive about going back to work and he was looking
2 forward to it. So I just wanted to share that with
3 you. So it's very encouraging that we must carry on.

4 MR. CRAWFORD: Through the Chair.

5 THE CHAIRPERSON: Yes, sir?

6 MR. CRAWFORD: Yes. I just have a few
7 comments --

8 THE CHAIRPERSON: Yes, sir.

9 MR. CRAWFORD: -- on a personal note.
10 Sergeant Steil -- and I believe it was Commissioner
11 Moore last week who asked the question at the table as
12 to, in reference to the Sergeant, you know, out there
13 working Special Ops and being the first to respond and
14 come across the individual or man who shot him.

15 And it was later reported, as was reported in
16 the media, that Sergeant Steil stated that -- I mean,
17 he lead by example and he -- you know, he led forward.
18 He was -- he was the first in. And, you know, as a
19 Sergeant and I know Lieutenant -- well, used to be a
20 Lieutenant -- and a Sergeant Moore -- I don't know the
21 reason. I guess he understands that, too, because
22 supervisors supervise. And not to cast no aspersions
23 on any of them but leading forward and being the first
24 in, there are some supervisors who wouldn't, as we well
25 know, would go through the door first and so that's

1 more than commendable. And, as we last week wished
2 that he have a recovery and unfortunately that didn't
3 occur.

4 But Sergeant Steil, to me, is -- I know we
5 lost a family member. And those in law enforcement
6 always say a family member. Those, you know, of us, as
7 police officers, lost one of our own in the Police
8 Department. But he was a -- Detroit has lost a family
9 member; he's a family member that the City lost.

10 If we think about his actions and the
11 individual that he was going after who committed a
12 crime against a family member, the individual who shot
13 his father. And, to me, Sergeant Steil, I liken him
14 where he is a family member of Detroit so we are deeply
15 saddened by this and I know there are many in the
16 community who are also saddened. But, yes, we lost not
17 only an officer in our immediate police family, so to
18 speak, but the family of Detroit has lost a member,
19 too, so thank you.

20 THE CHAIRPERSON: Thank you, Commissioner
21 Crawford. At this time, the Chair would entertain a
22 res -- I'm sorry -- a motion to receive the resolution
23 for --

24 MS. BROOKS: So move.

25 MR. MOORE: Support.

1 THE CHAIRPERSON: It's properly moved and
2 supported. All those in favor, "aye".

3 COMMISSIONERS: Aye.

4 THE CHAIRPERSON: Opposed?
5 Motion carry.

6 Thank you. Our next order of business would
7 be Chief Investigator Drake OCI report.

8 CI DRAKE: Good afternoon.

9 COMMISSIONERS: Good afternoon.

10 CI DRAKE: For the record, Pamela Davis
11 Drake, Chief Investigator. These are the statistics
12 for today, actually, Thursday, September 22nd. We have
13 a total of 174 cases that are currently active.
14 Fourteen cases have been submitted to either myself or
15 a supervisor for closing and we have no cases over 90
16 days.

17 The statistics for the month of August 2016
18 are as follows: We had a total of 108 complaints come
19 through our office. This represents an eight percent
20 decrease from this time last year where the number was
21 118 cases. At the end of August, we had 184 open
22 investigations, 766 cases were filed and 755 cases were
23 closed.

24 Of the 108 cases filed in August, the alleged
25 known units involved, leading in complaints, were the

1 Eighth Precinct at 11 percent, the Second Precinct at
2 6 percent and the Third Precinct at 4 percent.

3 The 108 cases filed in August involved 180
4 allegations which are the areas leading in concern are
5 as follows: Procedure at 29 percent, demeanor at
6 28 percent, service at 17 percent and force, harassment
7 and search all were at 6 percent.

8 140 cases that were closed involved
9 allegations where the findings were as follows: Not
10 sustained cases at 36 percent, exonerated 17 percent,
11 unfounded at 13 percent and sustained at 6 percent.

12 And the leading areas of concern in those
13 cases were as follows: Procedure, 34 percent;
14 demeanor, 26 percent; service at 16 percent and force
15 at 9 percent.

16 And Mr. Chair, that completes my report.

17 THE CHAIRPERSON: Thank you. Commissioners,
18 are there any question or concerns?

19 Thank you for an excellent report, as always.

20 CI DRAKE: Thank you, sir.

21 THE CHAIRPERSON: Okay. Deputy Chief
22 LaValley, you have the mic.

23 ASSISTANT CHIEF LaVALLEY: Thank you, sir.
24 The only announcements or information to share was the
25 funeral tomorrow, which you already mentioned and,

1 also, Chief Craig's mother's passing, and her funeral's
2 Saturday.

3 As far as the crime report, as of today,
4 homicides were at 217; that's three over last year. We
5 were at 214.

6 Aggravated assault, 6,730, last year we were
7 at 6,998; that's four percent less than last year.
8 Nonfatal shootings were at 719, last year we were at
9 807, down 88 for an 11 percent. Robberies were at
10 1,965, last year we were at 2,298; that's down 333.
11 And carjackings were at 242, last year we were at 391;
12 down 149 or 38 percent.

13 Our priority one response time average last
14 week was 15.49. I also sent some information, as you
15 asked for last week, with regard to burglaries and
16 larcenies; those are always on our weekly stat page.
17 The daily sheet that I usually present at the Board
18 meeting only includes the violent crime categories.
19 But I did send that and just to, I guess, put it on the
20 record here:

21 Burglaries -- this is as of Sunday, we were
22 at 5,854, last year, on this date, we were at 6,244;
23 that's a 6 percent reduction. Larcenies, 10,587, last
24 year we were at 11,437; for a 7 percent reduction. And
25 stolen vehicles, we were at 6,071, last year we were at

1 5,638; that's a 7 percent increase in stolen vehicles.

2 And that would conclude my portion of the
3 report.

4 THE CHAIRPERSON: Thank you, Deputy Chief.
5 Commissioners, questions or concerns?

6 MR. CRAWFORD: Yes, sir, through the Chair.
7 Yes, sir, Chief -- or Deputy Chief. The Green Light
8 locations, businesses, there was something in the media
9 the other day and they were talking about a reduction
10 in crime. They interviewed one of the business owners.

11 ASSISTANT CHIEF LaVALLEY: Yeah.

12 MR. CRAWFORD: Are you compiling any stats or
13 is it something --

14 ASSISTANT CHIEF LaVALLEY: We are --

15 MR. CRAWFORD: Go ahead.

16 ASSISTANT CHIEF LaVALLEY: I'm sorry. We are
17 keeping track of those locations to see what the impact
18 has been at those places. And there has been a
19 significant reduction in violent crime around those
20 locations, I believe it was at 25 percent.

21 Yeah, the original eight are at 50 percent
22 reduction. And then all 43 of them are at a 25 percent
23 reduction in violent crime at those locations. Some of
24 them came on later on in the year so they haven't
25 caught up to the first set. We've also seen a shift in

1 shootings and homicides.

2 MR. CRAWFORD: Yeah, I saw.

3 ASSISTANT CHIEF LaVALLEY: In the venues that
4 those type of crimes are occurring, they're almost -- I
5 don't want to say exclusively but significant shift to
6 where those are now occurring in noncommercial
7 locations.

8 MR. CRAWFORD: Yes, sir.

9 ASSISTANT CHIEF LaVALLEY: Where we had
10 before a lot of those. So now a lot of shootings are
11 occurring either in neighborhood streets, which is a
12 problem. But I think that Green Light has had an
13 impact on that where people just aren't committing
14 crimes like that at those locations.

15 MR. CRAWFORD: Well, I know, from a
16 department standpoint, too, and as we -- well, you
17 know, there's stats. And I strongly suspect that there
18 would be a drop in crime. But also, too, from the
19 business perspective, crime down, business is up.

20 ASSISTANT CHIEF LaVALLEY: Yeah.

21 MR. CRAWFORD: People feel more comfortable
22 going to the businesses.

23 ASSISTANT CHIEF LaVALLEY: Right. That's one
24 of the incentives on the business owners' part, too --

25 MR. CRAWFORD: Yes, sir.

1 ASSISTANT CHIEF LaVALLEY: -- to make the
2 monetary investment up front, you know, that's their
3 reward in the end.

4 MR. CRAWFORD: And it will pay for itself.

5 ASSISTANT CHIEF LaVALLEY: Right.

6 MR. CRAWFORD: Yes, sir. Thank you.

7 THE CHAIRPERSON: Any other questions or
8 concerns?

9 ASSISTANT CHIEF LaVALLEY: I can introduce
10 Captain Saveck.

11 THE CHAIRPERSON: Yes.

12 ASSISTANT CHIEF LaVALLEY: All right. That's
13 Captain John Saveck. And, also, as I'm doing that, I
14 do want to make a note that Commander Todd Bettison and
15 Sergeant LaShanna Potts from Chief's Neighborhood
16 Liaison joined us and, also, Assistant Chief
17 James White has entered the room.

18 THE CHAIRPERSON: Thank you for your
19 attendance.

20 ASSISTANT CHIEF LaVALLEY: Captain
21 John Saveck, he's going to give a presentation on the
22 Crime Intelligence Unit and part of Green Light, you
23 know, part of that.

24 CAPTAIN SAVECK: Good afternoon,
25 Commissioners. My name is John Saveck. I'm the

1 Captain of the Crime Intelligence Unit.

2 All right. The Crime Intelligence Unit has
3 used a couple terms interchangeably; the Realtime Crime
4 Center and Crime Intel Unit. But, in actuality, it's
5 one unit. We are a 24-hour, 7-day-a-week operation.
6 We are comprised of police officers, police assistants,
7 civilian analysts and crime investigators.

8 CIU is responsible for running the Realtime
9 Crime Center, Project Green Light, preparation of all
10 the current maps, crime stats and analytics. CIU aids
11 in investigative process to increase apprehension and
12 case clearance. Unit supports patrol, traffic
13 investigations, crime prevention and administrative
14 functions.

15 Some of our external partners: The Detroit
16 Crime Commission, Wayne State University Center for
17 Urban Studies and the HIDA program, which is the High
18 Intensity Drug Trafficking Area. Responsibilities
19 include CompStat, Virtual Patrol and Realtime
20 Intelligence Center operations and social media
21 monitoring.

22 Crime intelligence and analyst duties were
23 tasked with identifying emerging crime patterns. We
24 search, investigate and distribute person-of-interest
25 reports, complete comprehensive workups on all

1 homicides, non-fatal shootings, critical assaults,
2 threats to law enforcement and critical infrastructure.

3 Counterterrorism and team reports are also
4 prepared by the CTAT team. We prepare two apprehension
5 workups. Information that we retrieve is pulled from
6 existing databases; for example, CRISNET,
7 computer-aided dispatch and LEIN. We have not created
8 a new database, we are just pulling from existing
9 sources. Here's an example of the crime pattern we put
10 out. We look at modus operandi of the suspects and
11 also geographical location of these crimes.

12 Crime intelligence and analyst duties: We
13 also are in charge of crime stat reports and preparing
14 the crime stat package, which includes historical crime
15 comparisons for part one crimes within the City of
16 Detroit. Also included is department staffing levels,
17 911 calls, respond time, arrest trends and
18 investigative unit workloads.

19 We also maintain all map info and RGIS
20 tables. This includes specialized request files, such
21 as the Angels Night Taskforce. Real Crime Center, some
22 of the technology we use, the license plate reader or
23 the LPR, this provides an automated detection of
24 license plates consisting of a high-speed camera
25 mounted on a fixed location or a patrol vehicle. We

1 have HD surveillance cameras located at various
2 locations. CIU also has the capability to surveil all
3 City cameras. We use facial recognition software, GPS
4 tether tracking and social media surveillance.

5 Here's an example of a work flow: For
6 example, if an officer is responding to a nonfatal
7 shooting, the Realtime Crime Center operator monitors
8 video feeds, radio channels and our phone line for
9 intel requests.

10 The Realtime Crime Center operator then
11 contacts the officer on the designated radio channel
12 and we can communicate the location of movement and
13 movement of suspects to the officer.

14 The Green Light Initiative: The Realtime
15 Crime Center monitors businesses that have entered into
16 the Green Light initiative. The CIU provides strategic
17 monitoring of available City-wide cameras to detect,
18 prevent and investigate crime.

19 Incidents and 911 calls are continuously
20 monitored by CIU personnel who provide actual
21 intelligence and responding units in realtime. All
22 camera footage is stored and is the property of the
23 Green Light location.

24 The Realtime Crime Center's monitors can
25 access footage for the previous 30 days. Any footage

1 stored by the Realtime Crime Center must show a
2 criminal act. All other video is stored at the
3 businesses, as in -- and is the property of that
4 business. A media campaign to expand the Green Light
5 program is scheduled to begin this week.

6 I mentioned CTAT earlier, and it's the
7 Counterterrorism Threat Analysis Team. The CTAT
8 produces a daily threat assessment report which provide
9 international and domestic terror-related information.
10 The report includes a spotlight on national news that
11 covers threats against law enforcement and domestic and
12 international terrorism. CTAT provides a comprehensive
13 list of events in and around the City of Detroit for
14 potential threats.

15 CTAT also monitors physical infrastructure
16 within the City of Detroit for potential threats. CTAT
17 is comprised of investigators from CIU and members from
18 HIDA and the Department of Homeland Security and the
19 Detroit Crime Prevention Team.

20 Ceasefire also falls under my command.
21 Ceasefire is a comprehensive strategy to stop gun
22 violence perpetrated by members of gang groups and
23 street groups. Groups are a small part of the
24 population but account for a large percentage of the
25 crime. Ceasefire has four components: Enforcement,

1 prevention, intervention and reentry.

2 The enforcement portion is comprised of the
3 Detroit Police Department's Gang Intel Unit, Streets in
4 Command, special operations, disruption teams from the
5 individualized commands and crime intel.

6 Our partners include the U.S. Attorney's
7 Office, Wayne County Prosecutor's Office, Michigan
8 Department of Corrections, Michigan State Police and
9 Detroit Public Schools.

10 For the prevention portion, the community has
11 community organizers, street outreach workers,
12 faith-based coordinators, clergy members and precinct
13 chapel.

14 For intervention and reentry, our service
15 provided include Detroit Recovery Project, Flip the
16 Script and Detroit Employment and Solutions
17 Corporation.

18 Currently Ceasefire operates in the Fifth,
19 Ninth, Sixth, Eighth and Twelfth Precincts. Ceasefire
20 works by making and keeping promises with groups.
21 Promises are made through gang group members at
22 coordinated meetings called call-ins or one-on-one
23 interactions called custom notifications.

24 These call-ins or custom notifications with
25 group members include law enforcement, community and

1 service. Law enforcement promises the next group to
2 shoot or kill someone who will receive the full
3 attention of law enforcement. The most violent group
4 will receive the full attention of law enforcement.

5 We give special attention to the entire
6 group, not just the one person who's involved in the
7 crime. The community promise is that we care about you
8 and want you to be productive members of this
9 Community. The violence must stop.

10 Service promise is we want to help you. We
11 have services that can help change your life and you
12 can become a positive citizen. This is not a joke. We
13 will follow through on our promises.

14 Ceasefire Detroit Enforcement results: Since
15 implementing Ceasefire in target areas, there has been
16 a 24 percent decrease in homicides and nonfatal
17 shootings. Year-to-date, which includes January 1st to
18 August 31st, there have been 421 target arrests, 116
19 attendees at the call-ins, 97 custom notifications, 30
20 cases have gone federal, 15 RICO indictments, 41 cases
21 filed in the State system and a 31.3 recidivism rate.

22 And that concludes my presentation. Anyone
23 have any questions?

24 THE CHAIRPERSON: Commissioners?

25 MR. MOORE: Through the Chair, just a quick

1 question of clarity.

2 Captain, great presentation. Under your
3 Ceasefire portion of your presentation, you have a map
4 of the City of Detroit with the different precincts
5 outlined.

6 CAPTAIN SAVECK: Yes.

7 MR. MOORE: And it's color coded. What do
8 the different color areas mean?

9 CAPTAIN SAVECK: The orange-ish, that's the
10 precincts that Ceasefire is in.

11 MR. MOORE: Okay.

12 CAPTAIN SAVECK: And the other precincts are
13 just remaining colors. Sorry.

14 MR. MOORE: So there's no real --

15 CAPTAIN SAVECK: No. Just the orange one is
16 significant. It's representative of the precincts that
17 we're in at this time.

18 MR. MOORE: How can we get Ceasefire in the
19 Second Precinct and the Tenth Precinct? You knew I was
20 going to ask that.

21 ASSISTANT CHIEF LaVALLEY: Yeah. I'll chime
22 in here.

23 MR. MOORE: Okay.

24 ASSISTANT CHIEF LaVALLEY: We started in Five
25 and Nine and then, this summer, we expanded to Six,

1 Eight and Twelve -- can you go back?

2 So our -- looks like right now our assessment
3 of shootings in gang and group violence indicates that
4 our next expansion will probably be Two and Ten. So
5 the color coding there, I guess, for green would be the
6 next areas to get Ceasefire. After that, we will
7 probably go south to Three and Four and then end up,
8 eventually, in Seven and Eleven. Which, Seven and
9 Eleven seem to be our lowest area of gang and group
10 activity.

11 MR. MOORE: All right. Thank you.

12 ASSISTANT CHIEF LaVALLEY: So I would -- your
13 area of Number Two, you said?

14 MR. MOORE: Two and Ten.

15 ASSISTANT CHIEF LaVALLEY: Two and Ten, I
16 would probably look for that early next year.

17 MR. MOORE: Thank you.

18 ASSISTANT CHIEF LaVALLEY: By the summer
19 months, we'll be actively engaged in Ceasefire
20 activities there.

21 MR. MOORE: Okay.

22 THE CHAIRPERSON: Commissioners, any other
23 questions or comments?

24 MR. SHELBY: Through the Chair.

25 Captain, the license plate reader, how many

1 do you have and is that technology available to
2 investigative operations in the precincts?

3 CAPTAIN SAVECK: I'm not sure exactly how
4 many LPRs we have.

5 ASSISTANT CHIEF LaVALLEY: Yeah, Deputy Chief
6 LaValley. Right now, we have two mobile license plate
7 readers that are mounted on scout cars. There's one in
8 the Eleventh Precinct on the east side and one on the
9 west side, I'm not sure what precinct it's in right
10 now. We are in the process, right now, as part of our
11 technology upgrade for realtime crime and crime
12 intelligence, purchasing up to 70 additional license
13 plate readers. Some of those will be stationary, some
14 will be mobile, on scout cars.

15 The stationary license plate readers, we're
16 using the crime intelligence information to determine
17 where we locate those and those are more for an
18 investigative purpose versus, you know, our realtime
19 pick-up of a license plate where officers would want to
20 make an arrest.

21 So, on the scout cars, they're alerted on the
22 screen if a stolen vehicle passes them or there's a
23 vehicle that's entered onto a hot list that's wanted.
24 So they'll get an immediate notification that that car
25 just passed them with a picture of the car so they know

1 exactly which car to stop that might have been
2 carjacked recently or stolen. But the stationary
3 license plate readers, we'll place those at strategic
4 locations throughout the City that detectives will be
5 able to use that information.

6 Say, for instance, we had a robbery at a
7 particular intersection, we know that this intersection
8 or this location is hot for robberies, we'll have
9 license plate readers mounted and those will pick up
10 the license plates that come and go. So, if the
11 information we get is that the individual escaped in a
12 particular type vehicle, we'll be able to pick up
13 license plates and it will have a color as well.

14 MR. CRAWFORD: Yes, sir. Through the Chair,
15 Deputy Chief, also, too, all license plates in public
16 domain are fair game.

17 ASSISTANT CHIEF LaVALLEY: This is correct,
18 yes.

19 MR. CRAWFORD: Okay. I'm just making that
20 statement. I just wanted to hear you say that. No,
21 when we get this feedback that there's this high-tech
22 technology out here when you're reading every -- any
23 vehicle on the street --

24 ASSISTANT CHIEF LaVALLEY: Correct.

25 MR. CRAWFORD: -- moving or parked --

1 ASSISTANT CHIEF LaVALLEY: Right.

2 MR. CRAWFORD: -- comes in contact -- this
3 license plate reader comes in contact with is fair game
4 and we're constitutionally sound on this issue.

5 ASSISTANT CHIEF LaVALLEY: Absolutely.

6 MR. CRAWFORD: Because they're doing it all
7 the way across the country in many different cities.
8 And, if you travel any turnpike, it's been out there
9 for years. And even some cities are using them for
10 traffic lights, you know, red lights and stop signs and
11 that kind of stuff, issuing tickets. But this, just to
12 make that clear that anybody in the public domain, is
13 fair game.

14 ASSISTANT CHIEF LaVALLEY: And it's not --
15 yeah, it's not our intent to use them for that purpose,
16 as far as issuing ordinances at intersections. But
17 yes, you're right, any license plate -- any vehicle
18 driving anywhere on the street, the license plate is --
19 it's public information.

20 MR. CRAWFORD: Yes, sir?

21 MR. MOORE: Through the Chair --

22 MR. CRAWFORD: Thank you.

23 MR. MOORE: -- just a point of clarity. So
24 can an officer randomly run license plates?

25 ASSISTANT CHIEF LaVALLEY: Absolutely.

1 MR. MOORE: Just randomly?

2 ASSISTANT CHIEF LaVALLEY: That's perfectly
3 legal.

4 MR. CRAWFORD: And to -- through the Chair,
5 to predate Commissioner Moore at the time of service on
6 the Detroit Police Department, we had hot sheets. Bell
7 would know about that.

8 ASSISTANT CHIEF LaVALLEY: Hot sheets are
9 electronic now.

10 MR. CRAWFORD: Yeah, that's the new license
11 plates reader. We had Hot Sheets.

12 MR. MOORE: We still have them.

13 ASSISTANT CHIEF LaVALLEY: No, when we
14 started.

15 MR. MOORE: When Moses was patrolling?

16 MR. CRAWFORD: That's right, about the same
17 time.

18 ASSISTANT CHIEF LaVALLEY: Commissioner Moore
19 and I started about the same time and they had stacks
20 of them.

21 MR. CRAWFORD: Right. You must pick them up
22 at the coffee stand.

23 THE CHAIRPERSON: Well, all I can say is that
24 we were the police.

25 ASSISTANT CHIEF LaVALLEY: Yes, sir.

1 THE CHAIRPERSON: And that's all. Captain --
2 I mean, any other questions before the Captain --

3 MR. SANDERS: Yeah, through the Chair. The
4 Green Light initiatives, you're going to start through
5 TV, radio or translating more online, about what the
6 Green Light is?

7 CAPTAIN SAVECK: The radio commercials are
8 going to be first.

9 MR. SANDERS: And then TV or no TV?

10 CAPTAIN SAVECK: I'm not sure about the
11 campaign yet but I think they're starting with the
12 radio spots.

13 MR. SANDERS: And that's going to start next
14 week, this week?

15 CAPTAIN SAVECK: This week, sir.

16 MR. SANDERS: Okay. Thank you.

17 THE CHAIRPERSON: Captain, thank you for an
18 outstanding report. I appreciate the update.

19 CAPTAIN SAVECK: All right, gentlemen.

20 THE CHAIRPERSON: I do have one question for
21 the Deputy Chief or the Assistant Chief. One of the
22 commissioners asked me about what is the protocol for
23 tomorrow. I know, in the past, this is -- would be our
24 first funeral as commissioners. In the past, I know
25 we'd normally stand in rank at a certain time. What

1 time would that be? Would that protocol continue for
2 the Commissioners to stand in rank if they so choose?

3 ASSISTANT CHIEF LaVALLEY: Yes, the formation
4 starts at 9:30. I'm sure that Captain Petty's team
5 will have designated areas for whether or not
6 individuals are in uniform or plainclothes or anybody
7 that wants to stand in formation can. I don't know
8 exactly what the designated locations will be but I'm
9 confident that --

10 THE CHAIRPERSON: Is that in the manual?
11 There used to be a diagram in terms of where you're
12 supposed to be. Crawford will probably look it up on
13 our behalf. There used to be a formality, as
14 Commissioner Dewaelshe would attest to, that, you know,
15 you've got certain areas.

16 MS. SMITH: I'll tell you.

17 THE CHAIRPERSON: Okay. But can you help us
18 out on that? If you could let us know. We don't want
19 to just randomly be out of place. But I think we have
20 a role to play and that we should be where we should
21 be.

22 Commissioner Dewaelshe, would -- that would
23 be your proper protocol in the past?

24 MS. DEWAELSHE: Yes, sir.

25 THE CHAIRPERSON: I had witnessed, you know,

1 in that process, see the commissioners would be in a
2 certain row. But, you know, I'm not that familiar with
3 it.

4 ASSISTANT CHIEF LaVALLEY: Okay.

5 THE CHAIRPERSON: How long have you been on
6 the job?

7 ASSISTANT CHIEF LaVALLEY: 21 years.

8 THE CHAIRPERSON: Okay, then. Okay. Look
9 that up, sir. I know someone out there know what we're
10 talking about.

11 Okay. Thank you. There is a protocol for
12 standing in ranks for all concerned parties, you know,
13 so --

14 UNIDENTIFIED OFFICER: Commissioner, if you
15 would like, I could help you in the morning. I'll be
16 there.

17 THE CHAIRPERSON: Okay. We'll see you. And
18 we should be there at what time?

19 UNIDENTIFIED OFFICER: At 9:30.

20 THE CHAIRPERSON: At 9:30?

21 UNIDENTIFIED OFFICER: 9:00.

22 MS. SMITH: You better be there at 9:00,
23 then.

24 UNIDENTIFIED OFFICER: We'll be there before.

25 THE CHAIRPERSON: 9:30 a.m. So, if you want

1 to stand in ranks, you need to be in that timeframe.

2 Okay. Thank you, sir. We appreciate that.
3 I just think that's very, very important to show our
4 respect in the process.

5 The next item of business would be our
6 standing ad hoc committee.

7 Starting off with the policy subcommittee,
8 commissioner Crawford.

9 MR. CRAWFORD: Yes, sir. Excuse me. Before,
10 you, Commissioners, and I believe were e-mail probably
11 a couple times. And that was -- I'm sure everyone has
12 reviewed the limited delegation of board subpoena
13 powers.

14 We have a resolution today. And, if -- if
15 there is anyone who -- who feels -- or has any
16 questions prior to this, my reading of this resolution,
17 I'd like to -- to try to address this now.

18 But the policy, assuming since you all have
19 read and have the information, I can go forward with
20 the resolution today so that we can put this on the
21 table and vote this up or down.

22 So if there's any questions prior to
23 introducing the resolution or --

24 MR. MALLETT: Mr. Chairman, if I might.

25 THE CHAIRPERSON: Yes, sir?

1 MR. CRAWFORD: Feel free.

2 MR. MALLETT: So, Commissioner Crawford, I
3 just wondered, the -- what -- I asked this question
4 when we were at the community center for the public
5 hearing on the possibility of introducing tasers, which
6 was, what is the problem that we were trying to solve?

7 I just could -- so this is very well-written.
8 Thank you very much. I know there's a lot of thought
9 has gone into it.

10 I just wondered, could you describe, what is
11 the issue, Commissioner, that the policy committee
12 thought required this kind of response? Because I'm
13 wondering if the operation of the Commission had been
14 in the -- in the Committee's estimation, somehow
15 compromised. And I just was wondering what your
16 observations were.

17 MR. CRAWFORD: Oh, no, sir. The response is
18 that -- not compromised but this is just the delegation
19 of the subpoena power, so that if there is a need --
20 and, also, it goes in the day-to-day operations. If
21 there -- if there's some investigation where there's a
22 need for subpoena power, this delegates that power and
23 the Commission doesn't lose any power but to the --
24 basically the day-to-day responsibilities and the
25 operation to the Board Secretary.

1 There --

2 MR. MALLETT: I'm just wondering --

3 MR. CRAWFORD: Previously, previously,
4 previously, there was no, one might say, "written
5 protocol" for this so that we -- let's just say,
6 hypothetically, if we run into some sort of issue, that
7 we would have to have a meeting, more or less pass this
8 issue out that basically is covered in this resolution
9 as to whether or not we're going to issue a subpoena.

10 Whereas now, pertaining to this particular
11 resolution and that delegation of that authority and
12 by, you well know, sir, that we do have subpoena power
13 from the City's Charter as a commission. So, if we
14 ever have to -- well, let's just say we would -- we'd
15 use it. But this just, more or less, streamlines it.

16 And Mr. --

17 MR. MALLETT: So, just for the record,
18 Commissioner, I'm just -- and I appreciate, again, the
19 work that you guys put into this. But we -- this --
20 this is a -- an attempt to provide a clarity to a
21 policy as opposed to responding to a significant
22 problem that we've identified?

23 THE CHAIRPERSON: That would be correct, sir.
24 It's on by Charter and we want to make sure that we
25 have a protocol and process in place if we got to

1 utilize and make sure that it's something that the
2 Board would have to approve. And, if we empower the
3 staff, then they could properly utilize it to a certain
4 extent, making sure that there's some side bar
5 discussion in reference to having it. And, therefore,
6 we'll make sure it's properly utilized.

7 And, therefore, that's why they went to the
8 Committee to take a serious look at and have the Board
9 Secretary and the Committee come out with a written
10 directive on how we shall operate.

11 MR. MALLETT: And I appreciate that,
12 Mr. Chairman.

13 I wonder, Commissioner Crawford, was there
14 thought to designating the Chairman of the Police
15 Commission as the person responsible for issuing the
16 Subpoena, as opposed to the Board Secretary?

17 MR. CRAWFORD: No, sir. And -- no, sir. And
18 the Board's Secretary can expound on some of this
19 because he really had a -- and I want to thank him,
20 too -- a lot of input and him helping us, more or less,
21 hash this out.

22 But the Commission -- the Board -- the Chair
23 or Vice-Chair and even all of us, as commissioners,
24 this doesn't change anything, in terms of -- in terms
25 of taking power away or anything like that. This just

1 streamlines it, so that, in the day-to-day operation,
2 basically, if there is a need, that we won't have to
3 have a meeting as to whether or not we need to issue a
4 subpoena. And that's on something that's not major.

5 Now, of course, if it's major, that may call
6 for the meeting of the Board to make a decision on
7 whether or not we -- we issue a subpoena on a
8 particular issue.

9 MR. MALLET: So, Mr. Chairman, the --
10 obviously, the subpoena is a very powerful document --

11 THE CHAIRPERSON: Yes, sir.

12 MR. MALLET: -- in no matter whose hands it
13 is. And I just wonder if I could offer a friendly
14 amendment.

15 And, Commissioner Crawford, this would -- I
16 would appreciate your thought. The -- I would -- I
17 would certainly be more comfortable if, in the absence
18 of the Board acting -- and I get it that we don't all
19 want to come down to issue and have a meeting about a
20 minor subpoena.

21 I would wonder if we could delegate that,
22 Mr. Chairman, to the Chairman of the Commission,
23 certainly assisted in the process of issuing the -- of
24 the subpoena by the Board's Secretary. But I would --
25 I think Commissioner Bell, Mr. Chairman, that your

1 signature would be -- I think that -- I think that a
2 modest amount of input directly from the Commission
3 through whoever it is, the Chairman in this case, you
4 at this moment, I think would inspire more confidence
5 of the public and it would certainly make me a lot more
6 comfortable.

7 So I wonder, Commissioner Crawford, if you
8 would consider a friendly amendment to the resolution
9 that you presented.

10 MR. CRAWFORD: Yes, sir. I would definitely
11 consider that -- and I consider that a good point,
12 especially coming from such a genius of a legal mind,
13 yours, since you are a State Supreme Court Justice.
14 However --

15 MR. MALLETT: Chief Justice. Since we're
16 throwing accolades out, let's get all the way down to
17 it.

18 MR. CRAWFORD: I'm sorry. No disrespect.
19 Chief Justice Mallett. And I wanted you to know that I
20 always went to the back of the ballot to vote for
21 Mallett.

22 MR. MALLETT: I appreciate that, Brother. I
23 needed every one of them votes. The first time out it
24 was close.

25 MR. CRAWFORD: Yes, sir, it was.

1 THE CHAIRPERSON: May I interject.

2 In reference to Commissioner Mallett, would
3 you entertain a friendly amendment? And that's to the
4 Chair, also, that in conjunction with the Chair and
5 also the Board Secretary --

6 MR. MALLETT: Yes, sir.

7 THE CHAIRPERSON: -- would be -- I think that
8 would be -- resolve your issue.

9 MR. MALLETT: Absolutely.

10 THE CHAIRPERSON: And have the Chair involved
11 with the Board Secretary who's day-to-day but something
12 like this that you mentioned is very, very serious.
13 So, if Mr. Crawford would entertain that amendment, if
14 you're so kind, then we can move forward, if that's
15 appropriate.

16 MR. MALLETT: I would offer that as if it's
17 appropriate. Mr. Chairman, I offer that as a motion to
18 amend it so that it is a -- that the two signatures on
19 the Subpoena; that would be the Chairman of the Board
20 of Police Commissioners and the Board Secretary.

21 THE CHAIRPERSON: Mr. Chairman, do you
22 support his amendment?

23 MR. CRAWFORD: Yes, sir, support.

24 THE CHAIRPERSON: Okay. Those in favor?

25 COMMISSIONERS: Aye.

1 THE CHAIRPERSON: Opposed?

2 The motion carry.

3 And thank you for your input.

4 MR. MALLET: Mr. Chairman, I think we got to
5 vote on the --

6 THE CHAIRPERSON: Yes.

7 MR. MALLET: -- resolution.

8 THE CHAIRPERSON: Do we need to read it into
9 the record or we have written copies before us we
10 received at five to. Is it expected, us to read it
11 verbatim into the record?

12 MR. CRAWFORD: Mr. Chairman, yes, I hoped he
13 shall read --

14 THE CHAIRPERSON: Okay. Then so be it.

15 MR. MOORE: Okay.

16 MR. CRAWFORD: Commissioner Moore.

17 MR. MOORE: "Resolution, Detroit Board of
18 Police Commissioners Policy Subcommittee, re: Limited
19 Delegation of" the powers -- "Subpoena Powers,
20 September 22nd, 2016."

21 "Whereas the Detroit City Charter, 2012,
22 Section 7.803 provides the authority, 'The Board may
23 subpoena witnesses, administer oaths, take testimony,
24 and require the production of evidence. To enforce a
25 subpoena or order for production of evidence or to

1 impose any penalty prescribed for failure to obey a
2 subpoena or order, the Board shall apply to the
3 appropriate court. The Board may delegate, in writing,
4 to a member of" its "staff the powers to administer
5 oaths and take testimony. A delegation is revocable at
6 the will of the Board and does not prevent exercise of
7 any power by the Board.

8 And whereas the Board has established a chain
9 of Command by ordering that the Secretary to the Board
10 is responsible for the day-to-day operations of the
11 Office of the Board of Police Commissioners and is the
12 ranking member of the Board of Police Commissioner
13 staff, and that, within the day-to-day operations of
14 the investigative staff of the Board of Police
15 Commissioners, there is need to conduct investigations
16 that may require securing information, documentation,
17 and other evidence to facilitate in citizen complaint
18 resolutions.

19 Therefore, be it resolved; the Board of
20 Police Commissioners delegate to the Secretary" to the
21 Board as well as to the Chairman, as amended, "the
22 authority to act on behalf of the Board to facilitate
23 investigations by our investigative staff, including
24 the issuing of subpoenas to secure information,
25 documentation and other evidence required in the normal

1 course of OCI investigations. The Board authorizes the
2 amendment of any and all rules and regulations and
3 operating procedures currently enforced to make said
4 delegation effective immediately.

5 And therefore be it resolved; that the
6 delegation of this authority to issue subpoenas can be
7 revoked by actions of the Board and is limited to
8 subpoenas designed to facilitate normal investigative
9 work of the Board of Police Commissioners.

10 And, finally, be it resolved; that the
11 granting of this delegated authority does not prevent
12 the exercise of any power currently invested in the
13 Board by the City Charter, Rules and Regulations of the
14 Board or Operating Procedures of the Board."

15 I move for adoption with the amendment
16 offered by our Commissioner Mallett.

17 MR. MALLETT: So move.

18 THE CHAIRPERSON: It's been properly moved
19 and seconded. Discussion?

20 MR. BURTON: Through the Chair.

21 THE CHAIRPERSON: Yes, sir?

22 MR. BURTON: Shouldn't those powers go to OCI
23 Chief Drake as far as with the subpoena?

24 THE CHAIRPERSON: No, sir.

25 Those in -- any other discussion?

1 Those in favor, "aye".

2 COMMISSIONERS: Aye.

3 THE CHAIRPERSON: Those opposed?

4 MR. BURTON: Opposed.

5 THE CHAIRPERSON: Motion carry. Thank you.

6 Thank you, Mr. Chairman of the Committee,

7 Crawford, and Commissioner Mallett --

8 MR. MALLETT: Thank you.

9 THE CHAIRPERSON: -- and the Committee and
10 our Board Secretary, Mr. Hicks.

11 MR. CRAWFORD: Commissioner Mallett, thank
12 you.

13 MR. MALLETT: You're welcome. Thank you,
14 sir.

15 THE CHAIRPERSON: The next item, the
16 Planning -- Planning Commission?

17 That's Commissioner Crawford, also, right?

18 MR. CRAWFORD: Yes, sir. The Policy
19 Committee on the presentation from the Department of
20 Planning and Development. Lieutenant is on his way up.

21 LIEUTENANT MERKISON: Good afternoon, Board.

22 COMMISSIONERS: Good afternoon.

23 LIEUTENANT MERKISON: I'm still stuck on duct
24 tape -- I mean hot sheets. I'm just thinking about the
25 invention of duct tape would have served us well.

1 MR. CRAWFORD: We'll need your name for the
2 record.

3 LIEUTENANT MERKISON: Lieutenant
4 James Merkison, Planning. A spelling of my last name,
5 M-E-R-K-I-S-O-N.

6 To the Board, through the Chair, I would like
7 to present the Department's policy, as it relates to
8 the Realtime Crime Center. I think you've seen that
9 great presentation by Captain Saveck and how the
10 Realtime Crime Center can enhance the safety of our
11 citizens.

12 Having witnessed the operation of the
13 Realtime Crime Center, I've seen how much of a great
14 asset that is to the Department by monitoring radio
15 chatter and video and disseminating that information to
16 our officers out in the street. However, I'm speaking
17 to policy.

18 And, with that said, our policy was developed
19 around making sure that the rights of those individuals
20 or citizens are -- and the constitutional guarantees
21 are not violated. So, to address some of the Board's
22 concerns of the policy, I'm going to speak directly to
23 some questions that the Board may have.

24 We do not store data, absolutely not. Do we
25 gather information for our officers or law enforcement?

1 Yes, we do. We use those sources already existing for
2 law -- the law enforcement network for that
3 information; that being the LEIN information network;
4 NCIS, National Crime Information System; Secretary of
5 State -- Secretary of State; and we also use the
6 Internet.

7 Do our policies satisfy the criminal justice
8 requirements? Yes, they do, absolutely.

9 How is the Realtime Crime Center funded? The
10 Realtime Crime Center is funded by a plan of adjustment
11 dollars for the City of Detroit and the TIPS grant.

12 How does the Realtime Crime Center enhance
13 operations? By improving the level of comfort our
14 citizens have towards the safety when they visit --
15 when they go out on our streets, they visit the
16 friends, neighbors and families. They feel safer in
17 knowing that this Realtime Crime Center is watching
18 over them and making sure that they are safe.

19 How does Project Green Light interact with
20 the Realtime Crime Center? Our analysts within the
21 Realtime Crime Center monitor the activities of our
22 Green Light partners. These cameras are mounted in
23 public spaces or public spaces that are accessible to
24 the public. There is no expectation to privacy that
25 these individuals have that they otherwise would have

1 when out in the public.

2 Through our video integration system
3 platform, we monitor and make sure that our business
4 partners' locations are safe and they, in turn -- their
5 clients feel safer at those locations.

6 Why is it necessary to update the DPD Manual
7 regarding the Realtime Crime Center? Because we want
8 our officers to know the resources that are available
9 to them and not for it just to be -- this information
10 be self-contained in the SOP of the Realtime Crime
11 Center.

12 How are notifications to the Realtime Crime
13 Center made? A notification is made through the intake
14 desk at the investigation operations, which is in close
15 proximity to the Realtime Crime Center, literally feet
16 away.

17 That concludes my presentation regarding the
18 policy of the Realtime Crime Center. However, we do
19 have another policy. Did you -- would you like for me
20 to make its presentation to the Board now? That would
21 be the data-sharing policy.

22 THE CHAIRPERSON: Well, first of all,
23 Commission, do you have any question or concern with
24 what is presented at this time for Planning and
25 Development? And that's --

1 MR. MALLETT: Just one question.

2 THE CHAIRPERSON: Yes, sir?

3 LIEUTENANT MERKISON: Yes, sir?

4 MR. MALLETT: As it relates to the ability to
5 monitor, Lieutenant, who has access to the system so,
6 when the person signs on, you've got the -- they've got
7 to give you their account and their password, that --
8 is that how it works?

9 And is there an auditing function associated
10 with this to see that people are only using this for
11 the appropriate purposes as outlined in the policy or
12 do we wait until an incident occurs where someone feels
13 aggrieved?

14 We got this problem -- and the reason I asked
15 the question, we have a very strict policy, obviously,
16 about accessing patient information in the hospital.
17 You -- there is very -- it's very, very difficult to
18 find out -- it had been very difficult in the past
19 until someone had done it but now, if an unauthorized
20 person accesses a patient's file, it's flagged
21 immediately. And I just wondered, do we have that same
22 capability --

23 LIEUTENANT MERKISON: What we have --

24 MR. MALLETT: -- with this --

25 LIEUTENANT MERKISON: -- is --

1 MR. MALLETT: -- system here?

2 LIEUTENANT MERKISON: -- we have supervisory
3 oversight. We have to remember that this is realtime
4 information. We do not store this information at all.

5 MR. MALLETT: That's true. Okay.

6 ASSISTANT CHIEF LaVALLEY: This is realtime
7 information that -- realtime information that we're
8 receiving. We have supervisory oversight at the
9 consult -- at the Council that's looking at what the
10 analysts are looking at.

11 MR. MALLETT: Okay.

12 LIEUTENANT MERKISON: At the same time, the
13 supervisor is prioritizing what is the important task
14 that they do for the day. For instance, if there is an
15 incident that occurs, that supervisor is coordinating
16 those resources in how to approach that incident. But
17 this is a realtime viewing situation. Only when a
18 crime occurs that we draw upon that information in
19 order to further or enhance the investigation of that
20 incident. I hope we are --

21 MR. MALLETT: Yeah -- no -- yeah. I -- it
22 just slipped my mind that this is realtime and this is
23 not a stored record. Thank you.

24 THE CHAIRPERSON: Any other question or
25 concerns?

1 Or AC White, are you satisfied with the
2 explanation?

3 AC WHITE: Absolutely, it is.

4 THE CHAIRPERSON: Okay.

5 AC WHITE: Yes, I am.

6 THE CHAIRPERSON: So we can -- he was moving
7 towards the mic so I wanted to make sure that he had an
8 opportunity to speak on this issue. Then we can move
9 on to -- D would be the Realtime Center. There's no
10 question on A.

11 LIEUTENANT MERKISON: Our data-sharing policy
12 requires compliance from our Detroit officers to
13 make -- in how they manage and share information as it
14 relates to our criminal -- criminal information -- that
15 being fingerprints, criminal histories and so on -- and
16 how that information is shared with our law enforcement
17 and non-law enforcement partners.

18 The -- any information that is shared by any
19 institution has to enter into an agreement with the
20 Detroit Police Department as to what they can and
21 cannot do. Because we had this -- this data -- this
22 information is important to us and they have to make
23 sure -- we have to make sure that they accommodate
24 certain -- they achieve certain standards when they
25 handle this information.

1 The data-sharing retention and dissemination
2 policy requires that Department members do not obtain
3 any information from any individual, group or
4 organization based upon their religious, political
5 interest or non -- or law-abiding activities.

6 In addition to that, individuals,
7 organizations and groups, information will not be
8 retained regarding race, ethnicity or even citizenship.
9 Those guarantees and those Constitutional assurance --
10 rights that individuals have is important to us. So we
11 want to make sure our business partners that we enter
12 into agreements with respect that and our policy speaks
13 to that.

14 Does anybody have any questions regarding our
15 data sharing?

16 THE CHAIRPERSON: Commissioners, questions or
17 concerns?

18 MR. CRAWFORD: Through the Chair, in essence,
19 we're not going to establish any red squad files?

20 LIEUTENANT MERKISON: Definitely not. I
21 think here in Detroit --

22 MR. CRAWFORD: I'm just --

23 LIEUTENANT MERKISON: -- we're -- if there's
24 any place that's sensitive to situations like that,
25 here in Detroit we are. And I'm just really glad for

1 our Department to be composed like it is so that those
2 concerns are -- are assured, to make sure that we
3 attend to that.

4 Yes, sir?

5 MR. CRAWFORD: And I know this question came
6 up in our committee meeting, in terms of we're not
7 sharing any data, so to speak, and the retention --
8 everything was in the guide -- the guidelines of the
9 State and federal?

10 LIEUTENANT MERKISON: Yes, yes. I want to
11 make this clear. The policy speaks to that, federal
12 and State guidelines that we are required to stay
13 within --

14 MR. CRAWFORD: Yes.

15 LIEUTENANT MERKISON: And any -- and anybody
16 that we share this -- any data would have a limited
17 access to what they could see.

18 MR. CRAWFORD: Yes, sir. And the retention
19 of -- so the data, basically, would occur when there is
20 an --

21 LIEUTENANT MERKISON: Investigation.

22 MR. CRAWFORD: -- investigation, incident or
23 something like that that may be -- or an investigation
24 of a criminal nature, that sort of data would be
25 retained and --

1 LIEUTENANT MERKISON: Okay. So, as it
2 relates to the Realtime Crime Center, only that
3 information that is of a criminal nature do we ask for
4 that information to be retained. But it's retained on
5 the client server. And, we can -- in order to access
6 that information for criminal prosecution, we subpoena
7 those records.

8 As it relates to data sharing, those files
9 that we have which contain information relating to
10 crime, those records are retained using the City of --
11 our retention policy. That's also reiterated in the
12 manual.

13 MR. CRAWFORD: And everything that's entered
14 into LEIN, there is an audit by the State. The State
15 does audit --

16 LIEUTENANT MERKISON: Periodically, yes.

17 MR. CRAWFORD: -- periodically?

18 LIEUTENANT MERKISON: Yes, they do.

19 MR. CRAWFORD: Yes, sir. And that was --
20 well, Commissioner Mallett's question was a little bit
21 different. He talked about would anyone auditing,
22 doing an audit, if it does, if something's also entered
23 into LEIN, such as a name check, a license plate, all
24 that stuff; there's always an audit and -- I don't
25 know, once a year or something like that.

1 LIEUTENANT MERKISON: Yes, the State does do
2 their own audit in making sure that those -- that --
3 but our -- what our policy speaks to is that
4 information is only looked at if there is a -- for a
5 law enforcement reason or in the capacity of that
6 officer in their duties.

7 MR. CRAWFORD: Yes, sir.

8 LIEUTENANT MERKISON: Okay.

9 MR. CRAWFORD: Thank you.

10 THE CHAIRPERSON: Any other questions or
11 concerns, Commissioners?

12 MR. MOORE: Mr. Chairman, I'd like to make a
13 motion to accept the policy of the Realtime Crime
14 Center's regarding data sharing and retention and
15 dissemination.

16 MR. MALLETT: Support.

17 THE CHAIRPERSON: It's been properly moved
18 and supported.

19 Discussion?

20 Those in favor, "aye".

21 COMMISSIONERS: Aye.

22 THE CHAIRPERSON: Those opposed?

23 Motion carry.

24 Thank you, Lieutenant.

25 LIEUTENANT MERKISON: Thank you.

1 THE CHAIRPERSON: And thank the Committee and
2 thank the whole...

3 We're going to table the Budget Committee
4 update, and that would be moved to a later date and
5 time. We're going to hear from the Recruiting
6 Committee at this time.

7 MS. BROOKS: Thank you. We know there's a
8 lot of crime going on in a lot of cities but it has not
9 detoured us at all in recruiting. I talked to you all
10 before about the Bing Group. And I just want to give
11 you some information that you can really use because we
12 need volunteers.

13 On October the 19th, from 10:00 to 2:00, the
14 Bing Group will be here at Police Headquarters. The
15 opening speaker will be Chief Craig. He will speak at
16 11:00. Inspector Brian Fountain will close out the
17 vet. He will speak on how to interact with police and
18 how to develop your portfolio. I understand from
19 Lieutenant Gardner he's a great speaker.

20 And the units that will be here will be
21 Canine, Bomb Squad, Aviation. These units will be here
22 so that they are our future target for our young
23 people.

24 So I am really excited about working with
25 Recruiting because wonderful things are happening. I

1 understand that hiring started in January. But in
2 February hiring has begun every month. And I feel
3 really good about this. I also found out that, for the
4 first time, we've had -- we have 40 recruits going in.
5 September the 26th we have 40 recruits graduating
6 September the 30th.

7 LIEUTENANT GARDNER: 42, ma'am.

8 MS. BROOKS: Forty-two now?

9 LIEUTENANT GARDNER: Forty-two.

10 MS. BROOKS: So Commissioner Dewaelshe and
11 Lieutenant Gardner and other officers, we are working
12 to fulfill the Mayor's promise that he wants us to
13 have. Forty recruits a month. So that's what we're
14 working on if we get more, that's even greater.

15 I would like to have Lieutenant Gardner to
16 come up because some things have -- are happening that
17 are new and I think it would be good if she came up and
18 talked to us about it.

19 And, also, if you have on you the amount of
20 recruiters from the Samaritan Center one, Michigan
21 Avenue one, northwest activity and -- well, the
22 Samaritan Center isn't until October the 5th. But, if
23 you have information on how many on those, we would
24 appreciate it.

25 LIEUTENANT GARDNER: Well, good afternoon,

1 Board. It is with great pleasure to stand before you
2 to discuss the recruiting efforts that have been
3 ongoing for -- really, for a long time.

4 What we have done is we have identified those
5 who, as you had mentioned, have made these different
6 events. And I want to say this: With the help of the
7 Board, we have truly picked up our numbers and
8 increased the numbers of recruits coming in the door.
9 Just in this month alone, with the help of the Board,
10 we had 209, just from the Board's support, that we have
11 identified from the Samaritan, Northwest Activity
12 Center. So it's a combination of all those different
13 locations together.

14 So we thank you so much because this is what
15 we're talking about, working together, teaming together
16 to get a mission done. And we are also happy to
17 announce that, as of Monday, we are now officially
18 online, as far as applying with our Department. And,
19 since Monday, we have 108 that have applied online.

20 So, again, we are really diligently moving
21 forward to make sure that we are recruiting for this
22 Department, getting the necessary officers out there to
23 help support the team that is already out there on a
24 day-to-day basis.

25 So, again, we truly thank you. We hope that

1 we can continue in our efforts to partner together, to
2 identify qualified candidates for a career in law
3 enforcement with the Detroit Police Department.

4 MS. BROOKS: Okay. I have a couple of other
5 things.

6 One is, we do need volunteers. We need you.
7 So, if you know anyone who want to volunteer for the
8 Bing Group. And, also, I know that Lieutenant Gardner
9 needs volunteers for National Night Out. And I
10 understand that no young people can volunteer for the
11 Bing Group.

12 But you need lots of people, young, old, it
13 doesn't matter, for the National Night Out, right?

14 LIEUTENANT GARDNER: Yes. And that's
15 generally handled through the Community Relations Team
16 so --

17 MS. BROOKS: Okay.

18 LIEUTENANT GARDNER: So those who are wishing
19 to volunteer, they can definitely get with
20 Commander Bettison and they can identify those who will
21 be setting up the volunteer areas within each precinct
22 so that they can support in those efforts as well.

23 MS. BROOKS: And, Commissioner Dewaelshe, did
24 you want to talk about Philadelphia recruiting or --

25 MS. DEWAELSHE: Oh.

1 MS. BROOKS: Sorry to put you on the spot.

2 MS. DEWAELSHE: Only -- well, I just -- I do
3 want to mention that the locations that you're talking
4 about, we operate -- SER Metro operates the One Stop
5 Career Centers. And so those have been -- we've been
6 very fortunate to be able to get a lot of applicants.

7 Now, obviously, a lot of them are not going
8 to qualify but it does help, I think. As you
9 mentioned, 200-and-something applicants. And there was
10 an event today at Northwest Activity Center and I
11 believe the number that I got so far was 43 had applied
12 at today's event.

13 So what Commissioner Brooks and I were trying
14 to do with the recruiting staff and -- of the DPD is to
15 come up with a calendar. And so I think that's why
16 we've been able to help because we're trying to place
17 all of the different events in the City of Detroit that
18 are happening that we're aware of so that, you know,
19 the recruiting staff can be there and have a presence.
20 And I think that's been very helpful.

21 And you're mentioning Philadelphia because
22 Clair has operations in Philadelphia and they're doing
23 massive recruiting, too. We run an operation there as
24 well, One Stop, and we're recruiting for the police
25 department. So I was able to get some ideas from them

1 and I want to share, you know, those with Ms. Brooks to
2 see how we can improve or at least help --

3 LIEUTENANT GARDNER: Yes.

4 MS. DEWAELSHE: -- in a different way here.

5 LIEUTENANT GARDNER: Yes. We actually had 17
6 events through your guys' coordinated efforts.

7 MS. DEWAELSHE: Great.

8 LIEUTENANT GARDNER: And just, if you would
9 like, I do have -- with SER Metro we did have 94 from
10 one location, we had 69 at another location and we had
11 46. So, again, because of your guys' effort, we have
12 truly increased our numbers of recruits coming in the
13 door.

14 MS. DEWAELSHE: Thank you. We're going to
15 continue to work with you very diligently.

16 LIEUTENANT GARDNER: And we appreciate it.

17 MS. DEWAELSHE: Thank you.

18 MS. BROOKS: Thank you.

19 MR. CRAWFORD: Through the Chair.

20 THE CHAIRPERSON: Yes?

21 MR. CRAWFORD: Yes, sir.

22 Commissioner Brooks.

23 MS. BROOKS: Yes?

24 MR. CRAWFORD: There was -- you mentioned,
25 some special units that are supposed to be at the

1 Career Fair. I think you mentioned Bomb Squad and
2 Aviation. Was the Underwater Recovery Team included in
3 that or someone representing -- particularly in honor
4 of Sergeant Kenneth Steil?

5 MS. BROOKS: We can add them. What we did is
6 we reached out to the Captain and Commanders of each
7 entity that would be willing to come out and support.
8 Because the goal was to give the young individuals an
9 opportunity to see the different units within the
10 police department and share their experiences, why they
11 became law enforcement officers and what their career
12 has been like for them.

13 MR. CRAWFORD: Yes, ma'am.

14 MS. BROOKS: So we can definitely include
15 them, yes.

16 MR. CRAWFORD: Yes, ma'am. I want to thank
17 you, Lieutenant. The reason I say that is I -- back a
18 few years ago, I knew a couple of the divers on the
19 Underwater Recovery Team and I -- it was conveyed to me
20 that, if you could dive in the Detroit River, you're a
21 good diver --

22 LIEUTENANT GARDNER: That's --

23 MR. CRAWFORD: Believe me.

24 LIEUTENANT GARDNER: -- true.

25 MR. CRAWFORD: And I think we had one of the

1 best undercover -- Underwater Recovery Team -- Teams in
2 the country; that's just my opinion.

3 THE CHAIRPERSON: Any more comments or
4 questions, Commissioners?

5 MS. BROOKS: I would just like --

6 Lieutenant Gardner, you have a couple of the
7 officers with you. Would you introduce them, please.

8 LIEUTENANT GARDNER: Yes. We have
9 Sergeant Gonzales who has been an addition over the
10 last couple of months, who has done an excellent,
11 tremendous job with her field recruiting, coming up
12 with some great ideas, as it relates to recruiting. I
13 mean, we're everywhere on the street corner, literally
14 recruiting, going to fitness centers and things of that
15 nature to really try to bring in the people.

16 We also have Lieutenant Johnson who is out of
17 the Chief's office who has -- was out on yesterday to
18 help identify areas to -- for recruitment.

19 And then I cannot forget my boss, Director
20 Oxendine, who really gives us the autonomy to become
21 creative in getting out there to address it and reach
22 these people who come and want to have a career in law
23 enforcement.

24 Because a lot of times, even though we had
25 been promoting and we had been aggressively hiring,

1 there are still a group of people that do not know that
2 we are hiring. So now, with the online, I think that's
3 also going to target those who were unaware, possibly.
4 So I truly appreciate her willingness to support our
5 ideas and our initiatives to make it happen. Thank
6 you.

7 THE CHAIRPERSON: Well, no doubt about it, we
8 want to thank Commissioner Brooks and
9 Commissioner Dewaelshe, Lieutenant Gardner,
10 Director Gail and all involved parties. As one of the
11 great coaches said, it's all about team, team, team.
12 This is about DPD family joining this family so I just
13 can't say enough.

14 LIEUTENANT GARDNER: And, actually,
15 Captain Saveck has also participated recently on some
16 boards. We have all the Captains. I mean, when I say
17 "team effort" --

18 THE CHAIRPERSON: Okay.

19 LIEUTENANT GARDNER: -- this department has
20 stepped up, from the Sergeants all the way up to the
21 Captains, to help us make sure that this happens.

22 THE CHAIRPERSON: Okay. And with
23 Commissioner Brooks and Dewaelshe's tiger paws on it.
24 These ladies tenacious and I know we're probably going
25 to take some pamphlets with us to Africa.

1 MS. DEWAELSHE: Yes.

2 THE CHAIRPERSON: Okay. I just can't say
3 enough. I'm really pleased. We've come a long way in
4 a short period of time. I look at what's happened in
5 Chicago, they want to -- you know, they aggressive
6 recruiting out in Memphis, Tennessee, the aggressive
7 recruiting in Philadelphia. And, also, we're competing
8 against some giants out there but this is the -- this
9 is the D.

10 LIEUTENANT GARDNER: That's right.

11 THE CHAIRPERSON: This is Detroit.

12 LIEUTENANT GARDNER: That's right.

13 THE CHAIRPERSON: We have the best
14 department --

15 LIEUTENANT GARDNER: Yes.

16 THE CHAIRPERSON: -- in the country.

17 LIEUTENANT GARDNER: That's right.

18 THE CHAIRPERSON: And tell the Chief it's not
19 about LA, it's about DPD. I always say we trained him
20 to go there but he come back home.

21 LIEUTENANT GARDNER: Right.

22 THE CHAIRPERSON: I can't say enough about
23 Detroit Police. We stack up against any department --

24 LIEUTENANT GARDNER: Right.

25 THE CHAIRPERSON: -- in the country and we've

1 been out there over the years, Crawford and I, and, you
2 know, we've been interacting. So I always want to say
3 that we can compete and we are competing. So thank
4 you, thank you, thank you.

5 LIEUTENANT GARDNER: Yes. And thank you
6 more.

7 THE CHAIRPERSON: Okay.

8 Okay. Mr. Hicks?

9 MR. HICKS: Yes, Mr. Chair. Thank you very
10 much. I just have two items I wanted to point out.
11 One, for the record and just for the general
12 announcement, I remind the Board that we are not
13 meeting on the 29th. The Board -- that meeting, by
14 action of the Board, was canceled, I think, a couple of
15 meetings ago.

16 Secondarily, the reason why that meeting was
17 canceled is because the Board -- the vast majority of
18 the Board will be away at a conference. You also have
19 in front of you, in preparation for that conference, a
20 package that was put together by our office and we,
21 essentially, have in this packet a variety of pieces of
22 information. We have from Robert Brown specific
23 information related to the travel arrangements and just
24 last minute notes.

25 We have, from Chief Drake and from

1 Investigator Cromwell, identification of several
2 workshops and things like that that we think will be
3 productive for you to attend.

4 And there is also several articles. Some of
5 the articles you have links to them but there are also
6 articles in here that we thought were important enough
7 that we produced them for you. And these are in the
8 nature of articles that help gives you background, they
9 tend to talk about the -- the size of police operations
10 around the country, how we tend to, kind of like, fit
11 in with that; talks about issues of force and several
12 other kind of things that we think, as you sit there in
13 the conference and as you're listening to speakers and
14 so forth, that this will be great background
15 information for you to have.

16 So every commissioner that has indicated to
17 us that they are going on the -- going to the
18 conference has a packet like this.

19 With that, Commissioner, that's -- that is
20 everything that I wanted to report to the Board today.

21 THE CHAIRPERSON: Thank you, sir.

22 Any question, concerns or types of things for
23 Mr. Hicks?

24 If not, any new business?

25 Old business?

1 Announcement: The next meeting will be
2 Thursday, October the 6th, at 3:00 p.m. here at Public
3 Safety Headquarters, October the 6th. And Mr. Hicks
4 already made mention that we would not be here next
5 week but you can still come by and just wait if you
6 want to. We're not going to be here.

7 MR. CRAWFORD: Commissioner Mallett -- would
8 Commissioner Mallett be here?

9 THE CHAIRPERSON: I don't think so.

10 MR. MALLET: Not with you -- not with -- if
11 you're not going to be here, Crawford, I ain't coming.

12 MR. CRAWFORD: Okay. Okay, sir.

13 THE CHAIRPERSON: Outstanding.

14 Our next community forum will be held on
15 October the 13, 2016, at 6:30 p.m., Sixth Precinct Boys
16 and Girls Club, 16500 Tireman. And that's posted and
17 that will be our next community meeting.

18 MR. MALLET: That's on the west side.

19 THE CHAIRPERSON: Yes, sir, that is on the
20 west side.

21 MR. MOORE: Mr. Chairman, just one --

22 THE CHAIRPERSON: Yes --

23 MR. MOORE: -- note.

24 THE CHAIRPERSON: -- sir?

25 MR. MOORE: When the Sixth Precinct meets in

1 November, this time it shifted to October so now we're
2 concerned of a couple of --

3 THE CHAIRPERSON: Okay.

4 MR. MOORE: -- incidents in District 7,
5 Specifically, the Sixth Precinct. So, in 2017, let's
6 try to get that back to November.

7 THE CHAIRPERSON: Okay. No problem.

8 MR. MOORE: Thanks.

9 THE CHAIRPERSON: You want to entertain the
10 Committee; that would be fine. I'll make a note of
11 that.

12 MR. MOORE: I'll ask them about that.

13 THE CHAIRPERSON: Okay. No problem.

14 MR. MOORE: Thank you.

15 THE CHAIRPERSON: Thank you for bringing it
16 to our attention.

17 And the next item will be oral communication
18 from the audience. Please give your name and limit
19 your comments to two minutes. Please come forward to
20 the mic. If you're going to speak, if you're able,
21 stand; if not, have a seat.

22 In the first row, please.

23 MR. MOORE: I just have a quick
24 announcement --

25 THE CHAIRPERSON: Yes, sir.

1 MR. MOORE: Mr. Chair while Ms. Bernice is
2 approaching. The title of this is going to be
3 Knowledge of Power Building and Detroit's Future,
4 Community Forum, two projects and November's ballot
5 will have big impact on our City. Be informed.

6 The commentators will be Tiffany Gunter,
7 Regional Transit Plant for Southeast Michigan and
8 Attorney Crystal Crimington (ph). That will be
9 September 29th at 6:00 p.m., St. John Lutheran Church.
10 That's September 29th, 6:00 p.m., St. John Lutheran
11 Church, which is located at 4950 Oakman Boulevard,
12 Detroit, Michigan, 48204.

13 THE CHAIRPERSON: Thank you, sir.

14 MR. CRAWFORD: Commissioner Moore, what was
15 the issue or the -- what's going to be on the ballot?

16 MR. MOORE: There are really two issues. And
17 I could have Ms. Butler come up, so that's one of the
18 two --

19 MR. CRAWFORD: Okay.

20 MR. MOORE: The different proposals that are
21 going to be related to the --

22 MR. CRAWFORD: Transit?

23 MR. MOORE: Ms. Butler, can you come up and
24 elaborate on it?

25 I'll just have --

1 MR. CRAWFORD: Okay.

2 MS. BUTLER: Good afternoon.

3 COMMISSIONERS: Good afternoon.

4 MS. BUTLER: This is just to educate the
5 community on two very important proposals that are on
6 the ballot. And one is about the Community Benefits
7 Agreement Ordinance and the other one is the Regional
8 Transit Plan of Southeast Michigan. And we wanted to
9 get the -- the community educated prior to absentee
10 ballots going out or the election November the 8th.

11 Many times people don't know what they're
12 voting for and how it will impact our lives and our
13 communities. And we have a lot of vacant properties in
14 our communities and we should have a say-so of what
15 kind of businesses will be coming into the community.
16 So, therefore, we're holding this forum for the
17 education of our community of these two issues.

18 MR. MOORE: Thank you, Ms. Butler.

19 THE CHAIRPERSON: Yes, ma'am?

20 MS. SMITH: Good afternoon. Bernice Smith,
21 political activist. I'll get the bad news out first.

22 I was at CVS before I arrived here and, the
23 manager, she approached me when I was getting ready to
24 go out the door, she said, "Are you still involved with
25 the police?"

1 I said, "Yes. Is there a problem?"

2 So she said, "Yes. I would like for you to
3 let them know what's going on in my neighborhood."
4 It's on Roselawn between Mackenzie -- I don't know,
5 whose area is that?

6 MR. MOORE: Sounds like mine.

7 MS. SMITH: That's your area? All right.

8 MR. MOORE: That would be it.

9 MS. SMITH: It's on the corner that they're
10 congregating, a group of men. And they're very fearful
11 because there's a house near where they're congregating
12 and they feel as though -- at least she does and other
13 neighbors in the neighborhood feel as though that is
14 a -- it's a dope house. So I told her, I said, "Do you
15 know your NOP" so --

16 UNIDENTIFIED WOMAN: NPO.

17 MS. SMITH: So she wasn't aware of what that
18 means, you know, what that meant. So, anyway -- so I
19 told her. In the meantime, I told her to get in touch
20 with her precinct. Now, I don't know what precinct is
21 in that area but they're --

22 MS. BROOKS: Second.

23 MS. SMITH: Is that the Second?

24 MR. MOORE: Second.

25 MS. SMITH: Okay. All right. I told her I

1 would find out and I would give her that information.

2 All right. In the meantime, I wish you would
3 investigate or have your NOP --

4 SEVERAL UNIDENTIFIED WOMEN: NPO.

5 MS. SMITH: NPO. Anyway, let -- let -- let
6 the -- the -- precinct be aware of that -- that problem
7 over there.

8 Did you get the address?

9 MR. MOORE: Actually, I did not.

10 MS. SMITH: The address of the house is 85 --
11 8510.

12 THE CHAIRPERSON: I think we want to -- we'll
13 get it. We'll get it.

14 MS. SMITH: Okay.

15 THE CHAIRPERSON: I mean, thank you.

16 MS. SMITH: All right.

17 THE CHAIRPERSON: Okay. Thank you.

18 MS. SMITH: Okay -- no, I'm not through.

19 All right. Most of you know -- some of you
20 don't know but I work with funerals, mainly with
21 Swanson. I will be available with the Cole, I had a
22 meeting with them today.

23 So, as far as tomorrow is concerned, I
24 don't -- I don't know where you're going to -- you
25 know, the group is going to be. But, usually, they

1 have you in the dining area. They call it the dining
2 area or the waiting area; that's at the church, now. I
3 don't know how they're going to do it tomorrow; I
4 didn't get that information.

5 But, anyway, you all know the time and so
6 forth so I don't have to tell you the time. But, in
7 the meantime, I'm sure the Chief realizes that we all
8 care and that we want to be a part and let him know how
9 much we care about attending the service.

10 And, also, my condolences to the family of
11 the other officer. I didn't go out there on Gratiot
12 because it was too much of a crowd out there but I do
13 feel as though that we all know.

14 Now, the complaint I had: Downstairs, when I
15 came in, the security people were telling me that --
16 you know, we always have to show ID and so forth. She
17 said, "Ms. Smith I'm so glad that you're considerate
18 with us."

19 And I said, "What's the problem?" You got a
20 problem. You have officers that come in here in
21 group-like setting and they don't want to show their
22 ID. The sign down there says everyone shows their IDs,
23 regardless. I'm sure that's what it meant; whether
24 we're police or not.

25 So they're having a problem with the officers

1 coming in, and especially one yesterday that was very,
2 very rude to them that he didn't feel as though that he
3 should show his ID because he had his uniform on and so
4 forth.

5 Now, that's security down there, they're not
6 police officers. So my thing is this: I would like to
7 report to you, to let you -- let them know, the police
8 officers and our Chiefs and so forth, treat them with
9 respect down there. They're doing their job, we do our
10 jobs out here. So, therefore, give them the respect of
11 showing your ID, if it's necessary; because the sign
12 says so down there. I have no problem with putting my
13 name and so forth on there.

14 But we must respect each other. It's too
15 much going on out here in this world now. We have to
16 be respectful of each other regardless of our position
17 in the City.

18 I have the utmost confidence in my police
19 department; I love them. But, when you do wrong, I'm
20 going to have to come and publicize it and let it be
21 known. Do the right thing by each other and don't be
22 arrogant and rude; I know some police can be that way,
23 white and black. So, please, give us the respect, at
24 least the security people down there.

25 That's all I've got to say. Thank you very

1 much.

2 MR. CRAWFORD: Through the Chair, Ms. Smith,
3 I noticed that Attorney -- Third Deputy Chief, Attorney
4 Washington was taking notes so I'm sure your -- what
5 you just stated will be conveyed to whomever.

6 Another thing, we -- Mr. Brown is not in
7 today but she has the same.

8 MS. SMITH: I didn't notice.

9 MR. CRAWFORD: She has a watch and it's the
10 same time.

11 MS. SMITH: Thank you very much. I
12 appreciate it. I didn't know who she was, holding the
13 sign up over there.

14 MR. CRAWFORD: I do know, on another note,
15 you -- I know you show your ID.

16 MS. SMITH: Oh, definitely. I'm proud of it.

17 MR. CRAWFORD: We heard about it --

18 MS. SMITH: I'm very proud of it.

19 MR. CRAWFORD: -- a few weeks ago.

20 MS. SMITH: Yes, I'm proud of it.

21 MR. CRAWFORD: But that's another subject.

22 MS. SMITH: I get discounts off of it.

23 THE CHAIRPERSON: Let's be kind to --

24 MS. SMITH: Thank you. I'll see you at the
25 funeral.

1 THE CHAIRPERSON: Yes. Thank you.
2 Appreciate it.

3 MR. MOORE: Through the Chair.

4 THE CHAIRPERSON: Yes, sir?

5 MR. MOORE: One more announcement.

6 THE CHAIRPERSON: Can we pause and let
7 Dr. Diver come to the mic?

8 Go ahead. Okay. Sorry.

9 MR. MOORE: This Saturday, September 24th,
10 from 10:00 to 2:00 at Second Ebenezer Church, there was
11 an Expungement Fair. It's not sponsored by the DPD,
12 specifically, however it is on the City of Detroit's
13 Grandstand and we're offering that opportunity to each
14 and every citizen of Detroit to come out to Second
15 Ebenezer this Saturday between 10:00 a.m. and 2:00 for
16 this event. Thank you.

17 THE CHAIRPERSON: Any other announcement or
18 any other oral communication from the audience?

19 If not, since there's no other business
20 before this body, the Chair would entertain a motion
21 for adjournment.

22 MR. MALLETT: So move.

23 MR. MOORE: Support.

24 THE CHAIRPERSON: Properly moved and
25 supported. Those in favor, "aye".
